Portfolio: https://nyaaba-nicholas-portforlio.vercel.app/ | Website: https://searchanyoka.com/

PROFESSIONAL SUMMARY

Certified SEO Specialist and Digital Marketer with practical experience in technical SEO, e-commerce SEO, PPC advertising, public relations, website management, and digital marketing strategy. Experienced in improving website visibility, organic search performance, user engagement, and lead generation across corporate, educational, and e-commerce businesses.

Currently working as an SEO Specialist at IPMC Ghana, managing SEO initiatives across multiple websites, including IPMC Kart, an e-commerce platform. Skilled in technical SEO audits, keyword research, competitor analysis, website optimization, Google Ads, Google Analytics 4, and Google Tag Manager.

Experienced in managing technical website projects, reviewing HTML, CSS, and JavaScript code, identifying SEO-related implementation issues, coordinating with developers, and testing completed website improvements. Capable of translating SEO and tracking requirements into clear technical instructions for development teams.

Founder of Search Anyoka, a personal SEO and PPC platform focused on helping businesses improve their online visibility, attract qualified traffic, and generate leads. Also a SEMrush Ambassador committed to SEO education and digital marketing excellence.
